

# Student IT Software Installation Guides

## NVivo 12 — macOS

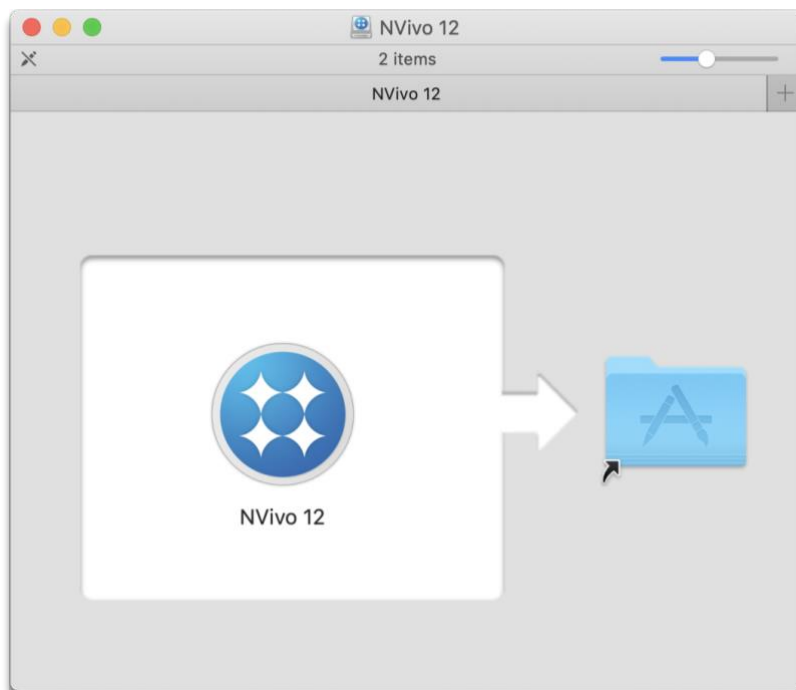

1. On the [Student IT software page](#), click on the **NVivo** tile and click the [QSR website](#) link

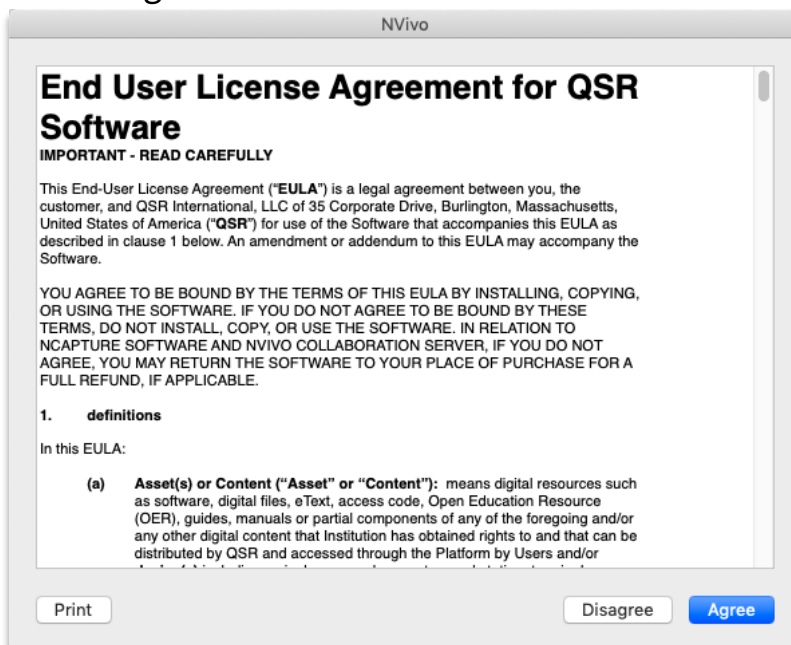

2. Scroll down and click **Download Now** under NVivo 12 for Mac

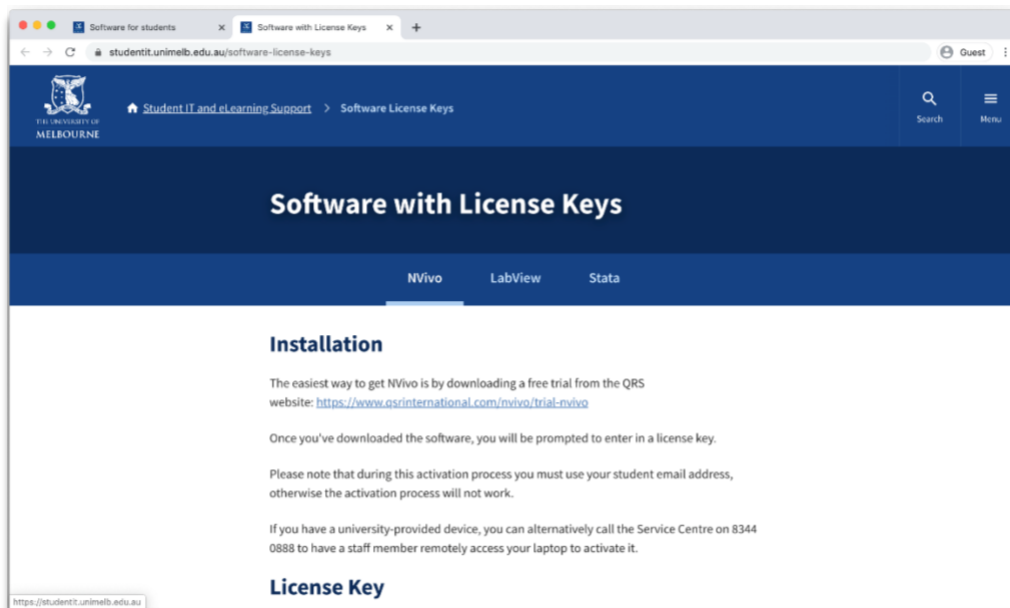

3. Open the installer, then **click and drag** NVivo 12 into the applications folder

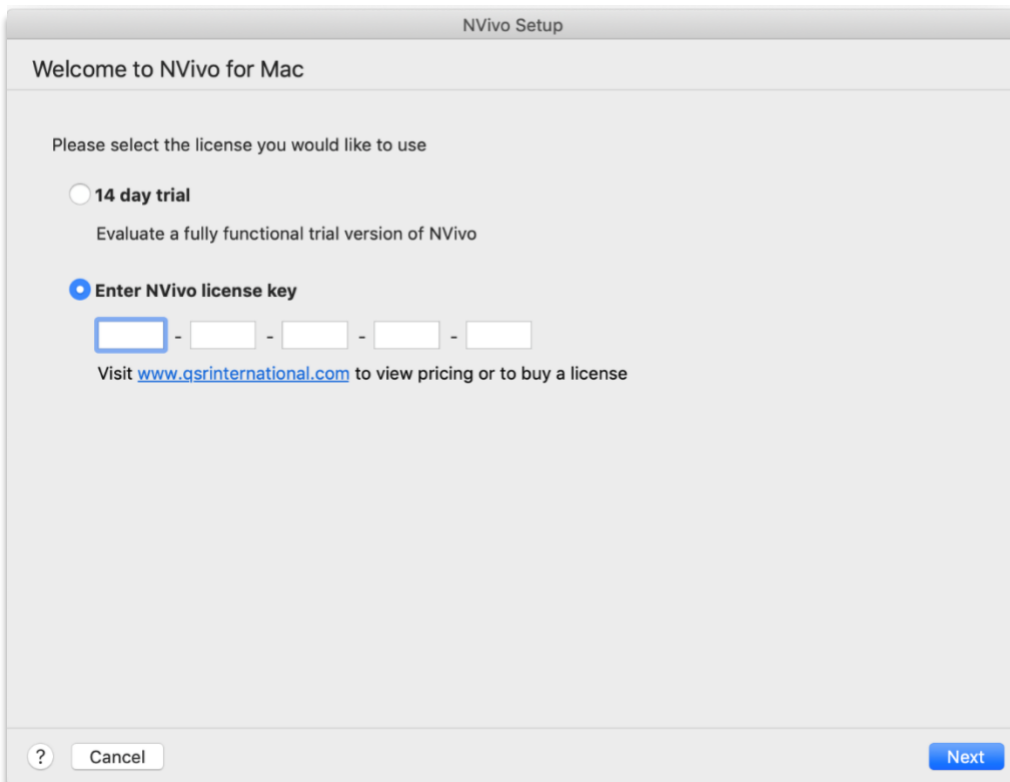

4. Go to the applications folder and open NVivo, then click **Agree** to the License Agreement

5. Go to the [Student IT Software with License Keys](#) page and login with your University username and password. Scroll down to view the license key

6. Enter the license key into NVivo and click **Next**

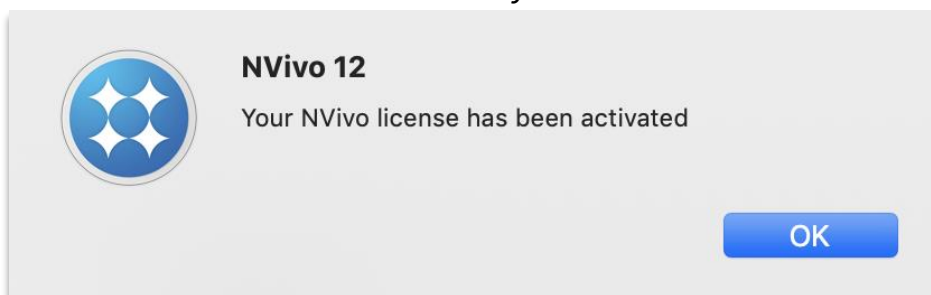

7. Fill in the required details, ensuring that you input your university student email. Then, click **Activate**.

The screenshot shows the 'License Activation' window in the NVivo Setup process. It contains the following fields and options:

- Activate via:** A dropdown menu set to 'Internet'. A note states: 'To automatically activate NVivo via the Internet, enter your details below and click "Activate".'
- Instructions:** 'You must activate your license before you can use NVivo. Please enter your details below and click 'Activate'.'
- Warning:** 'The form must be completed in Western character sets.'
- Required Fields (marked with a red asterisk):** First Name, Last Name, Email Address, Country, and State.
- Other Fields:** Job Title, Department, Organization, City, Phone, Fax, Sector, Industry, Job Role, and 'How did you hear about NVivo?' (a dropdown menu).
- License Key:** A field containing the key: NVT12 - LZ000 - 0FA20 - BX6J5 - VHI1H.
- Installation Key:** A field with a 'Generate Installation Key' button next to it.
- Activation Key:** A field with a hyphen separator.
- Buttons:** '?', 'Cancel', 'Replace License Key', 'Send', and 'Activate'.

8. Your license has been successfully activated. Click **OK**

9. You will then be asked to set up your NVivo User Profile. Fill in your details and click **Continue**

The screenshot shows the 'NVivo - User Profile' dialog box. It contains the following elements:

- Header:** 'NVivo - User Profile'
- Text:** 'This identifies any work you do on standalone NVivo projects'
- Fields:** 'Name:' and 'Initials:' with corresponding text input boxes.
- Checkbox:** 'Participate in the Customer Experience Improvement Program ([learn more...](#))'
- Buttons:** '?', 'Quit', and 'Continue'.

## 10. You can now use NVivo on your Mac device!
